“ Grandpa was without a doubt one of the kindest and most loving people anybody could have the pleasure of meeting. Thank you for being such an astonishing role model for our family. Thank you for all of the stories, memories and laughs that we've shared together. Thank you for your continuous positivity and unconditional love. The amazing life that I'm blessed with today is the mere product of the values and love that you've instilled onto your children and later onto your grandchildren. I can't wait to honor your life in the years to come.

I love you Papa Ernie. Until the day we meet again, Rest In Peace & I'll see you later.

Your grandson,
Jacob

“ I had the pleasure of meeting Ernie in early 2007 and assisting him and others in forming the Grand Dominion Golf League. He was a real gentleman both on and off the course. He knew the rules of golf and by God when you played with Ernie you played by the rules.

I enjoyed his company playing in his foursome many times at Steeple Chase and the many other courses we played throughout Illinois. He will certainly be missed.

“ Ernie was an affable neighbor in our senior community as well as a gracious gentleman on the golf course. Always enjoy, playing with Ernie - he knew the game inside/out and had great memories and stories so, for me, it was an entertaining afternoon and I learned the nuances of the game. He will be missed but never forgotten.

“ Ernie was a wonderful golfer and companion on the golf course. Always ready to give encouragement and congratulations. Having Ernie in your foursome was always a treat, especially in a competition. You could count on Ernie being on his game and giving your foursome a chance at winning.

Miss you, man.

“ Grandpa Ernie will live on in the memories of every life he touched. The most devoted grandpa and kind spirited man, with an abundance of patience that I deeply admired. A passionate golfer, loyal vikings fan and the best story teller a granddaughter could ask for. I treasure every memory, every conversation, every hug and every “I love you”. Someone once said “be the things you loved most about the people who are gone” and that is exactly what i’ll do for my papa Ernie. I know you’re up there making hole in ones on the greenest golf course.

“ Grandpa Ernie was the epitome of a perfect grandfather. Growing up he’d play endless amounts of air hockey with us and spend hours on end at the sledding hill. He made it to every sporting event he could, even if it was near freezing out. He was the most loving and caring man on this planet, and the sun shines a little less bright without him. Rest In Peace Grandpa, we love you!
