“ This comment was from my Husband Ruben and I emailed him to tell him the news. He loved Helen too and got a kick out her.

" I feel bad, she was a good person. An all American lady; Hard working, no-nonsense, gun toting woman.

The type of person that help build this great country we live in today.

I will miss her this Spring and Summer, when I look over at her house and don't see her sitting outside smoking her cigarettes. "

“ Helen was our neighbor for over 20 years and was always a delight to talk to and she had a wry sense of humor and a joke on hand to tell. She often did me favors when my son was young and would say to me " Donna, that's what neighbors do, they help each other". I have always appreciated her as a neighbor and friend and she will be sorely missed by our family, dogs included. XOX The Melendez Family
