“ Grandma will always be remembered for her endless supply of hugs and kisses, her contagious smile, her infamous sideways look with raised eyebrows you'd get when you did something questionable, her kind words spoken to a total stranger and her quite yet commanding presence. These were but a few of her memorable qualities. For your tenderness, compassion and wisdom, your keen ability to sense when we did something wrong when there was no way humanly possible for you to know, and most importantly your unconditional love; thank you, Grandma. You may be gone but will never be forgotten.
