

John R. Hansen

November 6, 2020

John Raymond Hansen, 70, of Grayslake, IL, died after a long illness, but died peacefully surrounded by his beloved family at home on November 6, 2020. He was born in New York City on Feb. 1950, but traveled his young life throughout Europe as an army dependent with his parents, Joseph and Winifred Hansen and brothers, Richard and Michael, all deceased.

As a teen, they moved back to the states and John graduated from Highland Park High School in 1967, enjoying his athletic career as a football player for the high school and college football at the University of Wisconsin, Madison as a safety. He was drafted into the army in 1972 and served in Vietnam.

His love of all sports included coaching boys football in Wisconsin and with the Libertyville Boys Club to high school football, where he had such fond memories of the coaches and players. Also, he had the privilege of coaching boys baseball for many years.

John was a printing broker for 25 years and retired last year from a successful career to spend retirement fishing, traveling and spending quality time with his wife and all ten of his grandchildren. He enjoyed teaching them how to fish and the fundamentals of just being a kid.

John is survived by his wife, Kathy Hansen and their four children, Michael, Matthew, Erika and Kelly Hansen, who will miss him greatly, but will always remember his warm smile.

A graveside service for his family will be held at 1:00 pm Wednesday, Nov. 18, 2020 at Ascension Cemetery in Libertyville. Memorial contributions can be made to the American Cancer Society. Arrangements are by the Burnett-Dane Funeral Home in Libertyville. Info: 847-362-3009 or please share a memory at www.burnettdane.com.

“ I am so for your loss. I shared several wonderful years with John, Kathy and Matt as he was both a football couch as well as a baseball couch of my son, Michael. He gave the teams he coached the opportunity to travel both in light weight football (winning the National football championship in Daytona Fla) as many more traveling opportunities through baseball. So many fond memories of the past. Thank you John. My thoughts and prayers are with you and your family Kathy, please feel free to reach out. I know how hard this is through the loss of Rick. “ Some of my fondest memories as a kid were playing baseball and basketball with Mr. Hansen as one of my coaches. He pushed me to be my best even though I was far from the best on the team. But even after he coached me, I'd see him at a game or around Libertyville and he'd always be smiling and was so happy to know we were all doing well in our path of life.
Our thoughts are with the Kathy, Matt and the entire Hansen family.

“ John Hansen was a force of nature. Passion doesn't describe it. It was something more. John coached me in Boys Club football and at LHS and there wasn't a player who didn't respect him, because he demanded excellence and pushed us to be at our best. He got everything out of us. Some of the best memories of my life involve John as as a coach. I don't think I encountered a more intense football coach in 13 years of playing and he made us better because of it. He scared the crap out of me at times, but I LOVED it too. If you love football, you love John Hansen. You knew he was ALL in and people follow Leaders like that. He helped develop us into Men to get ready for the challenges of life. After football, I learned he had a softer side and he was also a pretty darn funny guy too. One of my favorite memories was playing golf with him and Matt in Mexico just enjoying each other's company and telling stories. It was important for me to shoot a good game because I did not want to disappoint! (not sure if I succeeded, ha). Most of all he was a wonderful family man and cherrished his children and grand children. He will be missed and I know he helped shape so many of us into better & stronger people - what a stamp on this universe!

To Kathy and the entire Hansen family, my deepest sympathies and love to you, please take solace knowing John, the force of nature he was has improved this world in ways none of us will be able to calculate. What a legacy.

With Love and Respect, Jeff Horvat

“ Dear Kathy and the entire Hansen Family,
So saddened to hear about John but fondly remembering our time together on and off the field at LBC. Such a dedicated and passionate football mind but even a greater person. Oh how he enjoyed his pre-game Hershey bar and Coke! He's touched so many lives and left this world a better place. His legacy is his family and will certainly will be missed by his many friends. Thanks for sharing him with us. You're in our prayers.

“ To the Hansen Family,
Very sad to hear about John's passing. I met John while coaching Libertyville Baseball and Libertyville Boys Club Football. We were instant friends and John asked me to coach the Defense for the Lightweight Football Team. Our sons, Dan and Matt were on the team. John was a great coach with a great insight into how to manage our team. He enjoyed sharing stories about our college football experiences. I truly enjoyed our friendship. John was a tough coach but still maintained a great sense of humor! My prayers are with the entire Hanson Family at this sad time.

Sincerely,
Dr. Gary Potempa

“ John was my first cousin as my dad Raymond and John's mom Winifred were brother and sister. I have fond memories of John spending summers with us on Long Island when he was in high school. In later years we would meet for dinner on his yearly business trips back to the New York area. It was always something my dad looked forward to. Our sincere condolences to Kathy and the family. “ Was shocked and saddened to hear this last week. I enjoyed every minute of coaching, scouting and hanging out with John. Even the never ending grief/longtime running joke that I should have pitched Matt more as a freshman!

John was one of the great ones and I still tell stories from our practices and games years ago. Kathy, thank you for letting him spend the countless hours coaching with me and my thoughts and prayers are with you and the family.

Godspeed my friend!!
