“ Please accept my deepest sympathy. Kevin was a great guy, and I enjoyed getting to know him better through working at Zurich together as well as participating in Toastmasters! Kevin’s speeches were always filled with humor and truth. It was clear he loved his family and I can’t comprehend the pain you must be going through right now. Kevin made the world a better place to be in and he leaves a legacy of good memories for those whose lives he touched and blessed with his friendship and love. May he Rest In Peace.

“ Kevin was a wonderful man and incredible friend. He was passionate about his family, his politics, his sports teams and his faith. Even when the days became more difficult his positive attitude never waivered. He had an incredible gift of being able to turn any bad situation into a good one with simply a smile, witty word and infectious laugh. We are so blessed to have had him in our lives. He will remain in our hearts forever.

Amy, Henry, Audrey and the entire Scanlan Family, we are so sorry for your loss. Our thoughts and prayers are with you during this difficult time. May you find comfort in knowing Kevin is always with you. May his memory be eternal.

Rest In Peace, Kevin.

“ Kevin and I had a few things in common. His daughter and my son were born on the same day, they went to the same daycare, and they were betrothed for a while, probably because they both had a mutual desire to escape their daycare playground and run away together to McDonalds. We both loved Star Wars, we both ran. His daughter acted in my community theater's productions. We are both the same age. We both were diagnosed with colon cancer, one year apart. He helped me in ways no one else could. Kevin's spirit was a force to be reckoned with and it uplifted everyone around him and it is with me now.

Amy, Henry, Audrey, sending you much love and peace. May the force be with you.

“ Kevin will be deeply missed by everyone at Enterprise Rent-A-Car. Kevin defined what partnership meant and there will always be a void in his absence. The biggest laugh Kevin gave us was we always said he was famous as one of the people on the front page of our presentation looked just like him. I'll never forget how the first 5 minutes of each presentation we joked about giving him royalties. :) Thank you Kevin for endless memories and smiles. May God bless you and keep you in his loving arms forever.

Amy, Henry & Audrey, you also define what true love, partnership and family mean. You have extended family beyond what you can probably imagine. I know you have the best Angel watching over you now, but should you ever need anything please don't hesitate to reach out.

Sincerely,
Your friends at Enterprise

“ Our whole family is deeply saddened about Kevins passing. We were neighbors for 5 years, and we cherish many good memories. Kevin was a really fun guy, finding a great joke in everything. I remember vividly him on the phone asking me for Amy's Longaberger serving tray back after a New Years party, which I tossed in the garbage (I had no idea how precious Longaberger was)! Man did we laugh! !! I will never forget his and Amy's great humor about it! !!
Big hugs to everyone in the family. We'll be with you in our thoughts.
