“ I'll never, ever forget beautiful Louise! She was my mom, Darlene's, dearest friend, since the age of 15. I have many fun memories of times that Louise and Duke were over for parties at our home (Don and Darlene's). There was always so much laughing going on! I remember going to their home in Half Day to watch "Roots", back in the 70s. Recently, we had lunch to celebrate Darlene's birthday at Dover Straits. Then we went back to Louise's home to visit a little more. It was a wonderful day! Dawn Schmidt Johnson

“ One of the joys in living at Beckett Crossing was having Louise as our neighbor and friend. She will always be remembered for her infectious laugh and smile which made you feel good just being with her. Bunco, card parties and Happy Hour won't be the same without you. She was one of those special people you will always hold dear to your heart. With fond memories, Jan
