

Shirley J. Sherman

May 15, 1926 - October 28, 2021

Shirley R. Sherman, 95, passed away on Thursday, October 28, 2021 in Cary, IL. She was born May 15, 1926 in St. Louis, MO where she was raised until moving to Chicago in 1954 and was formerly of Wilmette, Glenview & Lincolnshire, IL. She attended Washington University in St. Louis for fashion design, was a former employee for a private fashion design company in Chicago, a former associate professor at the Art Institute of Chicago and was also a former real estate agent at Koenig & Strey on the North Shore.

Figure skating was close to Shirley's heart throughout her long life. As a youth, Shirley performed in a variety of ice shows across the Midwest including the "International Skating Carnival" with three-time Olympic Champion and film star Sonja Henie. As a teenager, Shirley was invited to skate professionally in the Ice Capades. She chose a different path, however, and pursued a career in fashion design and became an associate professor at the Art Institute of Chicago where she taught, and hosted fashion shows.

Throughout the years, Shirley remained actively involved in figure skating. She was a figure skating judge over four decades, and a member of the United States Figure Skating Association (USFSA) and the Skokie Valley Figure Skating Club. Among her most cherished accomplishments was being part of the contingent, along with her husband Lou Sherman, that supported the United States Figure Skating Team at the 1980 Olympic Games in Lake Placid, NY.

Surviving are her 2 children, Robert "Bob" (Kay) Sherman and Patricia "Patti" (Larry) White and her 5 grandchildren, Ryan, Kelsey & Kortney Sherman, and Patrick (Sydney) & Jeff (Alison) White.

She was preceded in death by her husband, Leonard "Lou" Sherman in 2019 and by her sister, Elizabeth Binder.

“ I have known Shirley since the early 60's and she was one of my most favorite judges. She always had a warm smile for every skater she encountered whether it be at a test session or a competition. She was always very dear to my heart and even after her retirement a few years we kept in touch. My sincerest condolences to her family. Sue Schmitt

Shirley judged my 7th test in 1975 in St. Louis and got me into judging after I passed my 8th test. She always had a warm smile, a very kind lady with a compassion for figure skating!

“ I am so sorry to hear about the passing of Shirley. Many years ago I taught the line dancing class at Sedgebrook. Shirley was a lovely, graceful dancer. She really enjoyed the class and she performed in our shows. The ladies danced together for many years. Shirley smiled all while she danced. She was a natural.
