“ Oh I first met Sue in Naperville at the tennis courts. We became friends easily on the courts and off. We had such a great group, that often after tennis we would go to lunch. Shopping with Sue was also an interesting experience. I have never met anyone who was always dressed more coordinately than Sue. I am talking about from the earrings down to the shoes. She always looked sharp and so put together. I Even had a chance to go to Fort Meyers with some of the girls and we had a blast. Sue Was a joy to be around. She battled Parkinson's for quite a long time. May she rest in peace. She was a great individual and friend. She will be missed and I was blessed to know her.

“ Sue was one of the kindest people I've ever known. We started together as freshmen at Saint Mary-of-the Woods College in 1960. I was 16, clueless, and had arrived with a bad dye job that promptly got me nicknamed 'Clairol.' I was miserable and very out of my league.

Sue took me under her wing. she purchased the proper hair color product and the bright-red hair was soon a thing of the past. Then in countless sessions, she taught

me to knit, a skill I still use. She was always wonderful and always had a smile. I have missed not seeing her since she got sick and often think of her. The world is less without her.

“ I'm another member of the SMW class of 1964 that has so many memories of Sue. We were both in the 12th Night Court our Sophomore year as heralds, a really special time. I also remember many reunions with me flying to Chicago and then driving with Sue and others to Terre Haute. May she R.I.P.

“ Sue and I are part of an amazing group of women who came together in September of 1960 as the incoming freshman class at Saint Mary-of-the-Woods College. I have many happy memories of Sue over these 60 years of friendship. Especially our Reunions at SMWC!! She was a Sweetheart. We were together in Naperville until I moved to Versailles, KY in 2013. She now has joined the Heavenly Class of 1964.

“ Sue was such a wonderful friend. I could always trust that she would be there for me in happy or difficult times. We laughed and cried together. I will miss her.

“ Ted, Mike, and Jim, I am so sorry for your loss. Sue was a cherished friend and I will miss her deeply. We met almost 40 years ago when our sons introduced us at a school function. They knew we were both interested in learning to play tennis and thought we could learn together. We had so many laughs that first summer and signed up for lessons in the fall. That led to our life long love of the game and cemented our friendship. Shortly after that we started going to Fort Myers Beach. What fun we had walking the beach, watching the sunsets with a drink in our hands, playing tennis, and of course shopping! We were fortunate to do this for many years. Sometimes with others and often just the two of us. I will remember her wonderful smile, kindness, sense of humor, and love of life. She was the best and I have so many wonderful memories of our times together. She lives on in my heart. Rest peacefully dear friend and I know you are smiling down on us.

“ Sue and I met our first day at the Woods in 1960. We were suite mates and friends for the next four years. She had a wonderful smile and sense of humor. Together we all dealt with the ups and downs of college life. Sue 's positive spirit and kind heart helped us all. She was a real blessing in my life. Pat OBrien Pagone
