“ I met vinny back when I was just a young girl.. Me and my friend use to play in the hallways back when he lived in Deepwoods and he would always tell us jokes or give us candy. Thorough out the years we stayed in contact . All he wanted was to give his daughters the life he didn't have and wanted them to have a good life and I can say he accomplished that and raised two beautiful girls that grew up to be beautiful women. I know he was a proud father before he left us.. I watched him go from a troubled boy to a young man that was not only a wonderful dad but a wonderful man. He was taken way too soon from us. You will always be missed vinny and never forgotten..

“ Vince was a young, curious 16 yr. old boy when I first met him. Although he had many struggles in his life, including a chronic illness, I found him to be always hard working, determined, and honest. Vince was bright and articulate, and committed to always learning. His commitment to raising his daughters was obvious...he wanted so much for them to grow up to have fulfilling lives. He has been taken too soon, but I know that he taught them all he could in his short time with them. Rest well Vince, free of pain at last. We will miss you.

“ It was my unique pleasure to meet and get to know Vince while caring for him. I always felt more like a friend than his nurse. It was obvious how he loved life and loved his beautiful girls with his whole heart. Tammi, Jeanette, and Cassandra, my heart breaks for you and my prayers remain with you. Thank you for allowing me into your lives, if even for a short while.
