“ Gloria and family,
I just wanted to offer my condolence's I'm sure you don't remember me but I owned a little store on Pacific just down the block from your house. I think of you and your Mom all the time. Your family was very special and I think of you all with fond memories. I'm sorry for your loss.

“ Gloria, So sorrow to learn of your mom's passing. It was a blessing to have her as my mom's roommate at the Manor these past few years and it was wonderful to get to know you as well. Our thought and prayers are with you and your family during this time.
