“ *I was absolutely devastated to get this news Dolores. My favorite memory of Tony was the two of you dancing circles around the younger folks in Puerto Escondido. Although not a relative, I also thought of you both as my favorite aunt and uncle. My prayers will be with you and the family. Love Martha*

“ *My uncle tony was a loving man! He and aunt DoDo are my God parents. I have so many happy memories from my childhood with them. We ate dinner there every Easter! They had a nickel slot machine I use to love to play with. My memories of uncle Tony are so special. He always had a cigar in his mouth. And a drink in his hand. He had this beautiful laugh that I will always remember! He will be missed in this world but we know he is happy in heaven! Uncle Tony I love you !
