“ Sorry that I missed knowing that Arlene had passed. I would have either visited the visitation or her service. I was a friend and co-educator with here in District 70 and had the honor to have her as a friend over the years. She was an outstanding person and teacher who so positively touched so many people's lives in so many ways and will be remembered with fondness. May your fond memories burn brightly forever to help you through this time of sorrow and loss. Gene Craig

I was sad to read about Arlene's death. I was lucky to have worked with Arlene at Butterfield School for many years. She was an inspiration to many adults as well as many Libertyville children. Rest in Peace, Arlene.
