“ *Aunt Arlene was always very special to me... I know how special she was to my Mom... And how much my Mom wishes she could of been there for Arlene and the family... I do too... I have very good memories of our times together... The one special time was when I was visiting and my daughter Christina was 3. Arlene was so awesome with Christina,, she made us feel so welcome and loved in her home... Thats how Arlene was... I loved her strong will... And her laughter was contagious. I loved Aunt Arlene with all my heart... I believe she always knew that, no matter how far way I was...*

My thoughts and prayer's are with all of you,,,
