Kierstin and our family treasured fun times of the girls growing up together and fun times shared. We are deeply saddened for your loss of a special daughter and know the pain of losing a twin. We are sorry we were out of town for the services but our hearts have been with you multiple times a day since March 1st..... know that you are surrounded with so many people that love you all and that love Ashley. Her smile and outgoing bubblyness will always live in our hearts. We will continue to pray for your strength and her sweet soul taken way too soon!

“ *Tami, Dan and Kelly,*

*We are devastated by the loss of Ashley. Her genuine smile, her contagious laughter, always there for everyone around her - these are the things we remember so vividly about Ashley. When she was laughing you knew it was her and you knew it was for real, her spirit was both fierce and kind! Sending all the love and strength we have from our Wildcat Volleyball family to yours right now in this moment. We will hold all of our fond memories with her tightly!*
