“ I can remember so vividly the laughter of A. Audrey and her sisters and brother. They all shared the same laugh and I can hear it in my memories everyday. I know there is one heck of a party going in heaven with her, Dort and Bert as they would call my mom. A. Audrey was a brave person and quite the fighter when she was faced with health issues. We have another angel looking down on us. God bless her and her sisters. Love, Dawn

“ I believe our lives are truly richer for having Aunt Audrey share a branch in our Family Tree. She, coming from Wanink Blood, was loving, hard working, caring, strong, enduring, selfless... always putting others first, she possessed so many rare and fine qualities of which she never strayed. I am Thankful for the unconditional love & care she gave to me in my early years allowing my parents to work and school...I am thankful for the weekend visits when she & the family would come to our Paw Paw home and visit, the food and story filled family reunions...so many fond loving memories forever stored in my memory bank. I will miss her love and contagious laugh, forever respecting her strength and outstanding character....I love you Aunt Audrey! Tera Lyn

“ 40 years have gone by since I met Mrs. Russeau. Rod and I were kids. Wendy and I would see her at the laundry and talk. We brought her, actual first grandchild, Nathan, for her to play with 30 years ago. We moved her and the family from Libertyville to Grayslake on a cold snowy day. She was a wonderful lady and will be dearly missed by Wendy and I. Rest in Peace. ”

“ I hold dear all the memories of walking into Mr and Mrs Russeau's house and seeing Mrs Russeau quietly folding clothes. I'd say, hi mom, she would usually respond here's trouble. We had a fun easy way of talking to each other, I always considered her my second mother during those teen years. I will always hold her in my memories that way. I just wanted to say to Brian, Rodney, Kevin, Shari and Mr. Russeau how sorry I am for your loss. She is at peace. All our love

“ I always so enjoyed our talks when Audrey would come to pick up Liz and Katie from my house when I was babysitting for them. I most remember how much she loved those two little girls. You will be missed.
