“ I am so sorry that I missed this notice of Audrey's passing. She was a long time friend and co-educator. She was one of my favorite teachers when I was principal at Adler School. You have my sincere sympathy. She touched so many lives and is remembered by so many. Gene Craig

“ I grew up with the Zetterberg family who lived across the street from me. I remember Mrs Zetterberg in her kitchen a lot! Judy and I became besties, so I'm sure I was hanging out quite a bit, but she never seemed to mind an extra kid around. I recently reconnected with Judy, and am so grateful I was able to hug and share some time with her mom again. My love and condolences to a special family at this time of sad loss.

“ Audrey Zetterberg was such a classy lady. I loved subbing for her and Mary Fran at Adler School in the early 70's. She and Jack were pillars of our Church as well. It was a privilege to be Audrey's colleague in the District 70 Elementary Community for many years and truly know what a treasure she was. Imagine my delight when my first REI aide was her granddaughter Jen. She walks in Audrey's footsteps. Love you both.
