“ *Barb & Ted were the first people we met when we bought our lake property in 1990. They "took us under their wing" and got us involved in the lake assn., legion & "red hats". We missed Ted a lot and then our good friend Barb had to leave also. We have many good memories of them both.*

“ *Barb was a "cousin" of my husband Vern Schneider who died 2 years ago. I will add her information in my family tree.*

I am sorry to know another classmate has gone but hope she is in a better place now. Lois
