“ Dear family of Barbara Davies, I feel your pain as well as God does. God can rid the pain, anger, and sadness that we feel when we lose someone we love. May you find comfort in Luke 18:27, knowing all things are possible with God and he can help you during this time of distress. Best wishes,Aubriel C.

“ Such a lovely and dear friend who I so respected from our days at North Shore Country Day School. She was always so thoughtful and when our paths did cross we always had such fun recalling our days at our wonderful high school. Although our paths did not cross as often as I would have liked, we always picked up where we had left off and enjoyed each others company. Blessings, sympathies and love to all her family.
