“ *Theme for Ben and Bertha:"My Happiness"Evening shadows make me blueWhen each weary day is throughHow I long to be with you, my happinessEvery day I reminisceDreaming of your tender kissAlways thinking how I miss my happinessA million years it seemsHave gone by since we shared our dreamsBut I'll hold you againThere'll be no blue memories thenWhether skies are gray or blueAny place on earth will doJust as long as I'm with you, my happinessWhether skies are gray or blueAny place on earth will doJust as long as I'm with you, my happiness*
