“ *After not having seen Betty for many years, it was my joy was to come visit Betty in Vernon Hills, Illinois [visiting along with my fiance] on the evening of Wednesday, June 6, 2012.*

Betty's son Lou -- my childhood best friend in Glenview, Illinois in the early 1960s was not present -- but Lou's younger adult sister Vickie was present. It was great to see Vickie again.

Betty's son Lou and daughter Vickie were next door neighbors to me in our childhood in Glenview, IL. Those were idyllic and gorgeous years but I will not here wax prolific on how God-blessed those childhood years were.

I am just here to say what a deep and beautiful experience it was to be present again with Betty -- one of the core adults from that exceedingly idyllic span of years in my childhood.

Thank you Betty and my the angels continue to receive and bless you.
