“ Jim and I share so many memories but one of our fondest was when Chuck, Betty, Jim and I shared a house while "investigating" Pebble Creek as a possible Arizona winter home. What fun we had!!! Betty was a wonderful P.E.O. sister and we loved playing bridge with them. We sat at a few Cubs games with them and then with Betty. She'll be greatly missed!Sincerely, Lois Long

“ Prayers and Sympathy to the family. Betty was a P.E.O. sister and one of the sweetest persons I ever met. We also played handbells together a couple of times when the Methodists and Presbyterians played together. I know she will be greatly missed.

“ Betty was a caring wonderful person who will be missed, for now. We will meet again some day as I know that Jesus has found another angel. God bless her family and friends, may you happily celebrate her life and the many people she touched.

“ Betty was an amazing beautiful lady, always put together and with a smile that could light up the world! Loved having happy hours in the park in AZ with her and Deborah and our neighborhood gals and Jim (when we would let the men come ). She always shared funny stories and made us laugh. We have missed her being here the past few years and will miss her forever but will always treasure the good times we had. Love you Betty and have comfort knowing you are with our God and have no more pain and suffering..
