“ *Betty was a funny and sweet lady. She would call me Honey Bunny when she asked me to help her with things. She told me cute stories about her and her brothers when they were young. She made me feel good. Thank you Betty for making my job enjoyable.*

*My name is Jo Ann Papp Clark
Betty was my aunt. She was a wonderful aunt and best friend to my mother. Stella was her sister in law. We were pen pals for many years.
I have wonderful memories of her!
She had great faith in God.*
