“ Bob, my love and sincerest condolences to you, Robin, and Craig and his family, in the loss of Beverly. Words cannot describe the shock I felt when I found out about Bev's passing. Please know my heart is breaking tonight for you and your family, and also for myself. You know Bev was one of my dearest friends for over 55 years and I loved her like a sister. I will miss her, too. We didn't talk often in the last several years but, when we did, it was as if we'd just talked the day before. I will miss those talks. Rest in peace, my dear friend.
