“ Hold tight to memories for comfort, lean on your friends for strength, and always remember how much you and your family are cared about.

*Although no words can really help to ease the loss you bear, just know that you are very close in thoughts and prayers.*

*God will definitely show you the way to smiling again. I know this experience will change you forever. Just remember all the good times you shared with your father and all the love he gave you throughout the years. He is not gone. He will live in your hearts forever.*
