“ Farewell Brother Regis. Hope to see you again in Heaven.

Thank you for "Putting a shine on my smile".

Thank you for the Automotive Carburetor Lesson. The man and his family on pilgrimage to Marytown were very grateful to you for starting their car as they were attempting to continue their trip as they left Marytown. I did not know what the problem was with their car but you sure did. Excellent professional manner in the way you repaired their car.

Thank you for informing me about the Kenosha location and some of the history of your part of the order well before coming to Libertyville.

Your smile and jokes are missed.

Sincerely,
