

Bruce Wayne Elrick

July 1, 1958 - June 10, 2022

Bruce Wayne Elrick, age 63, of Libertyville, formerly of Canada, passed away unexpectedly Friday, June 10, 2022 at his home. He was born on July 1, 1958 in Halifax, Nova Scotia to George and Claire (Dauphinee) Elrick.

Bruce was raised in Nova Scotia with his family, but he had dreams of travelling. He achieved a computer programming degree from the local college. He traveled most of Canada, and many more places before finding a contracting job that allowed him to work in the United States for the past 20 years, finally settling in Libertyville.

Bruce had the biggest heart, loving, and eager to help. His selfless support was always there for anyone who needed him, no matter the time of day. He will always be remembered for his generosity and many acts of kindness.

Bruce was known as a social superstar at his favorite gym in Libertyville, XSport Fitness. He faithfully attended spin classes and valued all the friendships he made there. It is hard to forget someone who gave us so much to remember. He was a dear brother, fond uncle, and great friend to many.

Left behind to cherish his memory is his sister, Diane (Barry) Garagan; two brothers, David Elrick, and Gary (Sandra) Elrick; five nieces and nephews, Thomas, Bradley, and Emma-Claire Garagan and Christopher and Callista

Elrick.

Bruce was preceded in death by his parents George and Claire Elrick.

“ Going back to the gym without seeing Bruce there makes all of us so sad. We will miss him for sure. When we wondered where he was the other week, and he didn't mention vacation or anything, and then, to find out he's no longer with us, we were all shocked. He truly is a nice, kind, funny, helpful, and thoughtful friend at the gym. He fixes everyone's bike in cycling class and he even adjusted my bike according to my height recently using his tools in his bag. It was cool to see Bruce every week. Rest easy Bruce... We won't forget you. Hugs, kisses, and prayers to Bruce's friends & family.

“ I let Bruce just over a year ago at Xsport Fitness. He entered my cycle class and made me feel right at home! He is a kind heart that helped anyone who entered the room from bike repairs to turning the lights on and making sure the cycle room was ready to go! Even with his hip and knee pain. In memory of Bruce, we will keep your bike saved and music filled with your favorites (Bruce gave me his fave playlist) this Thursday. My deepest sympathies to the family. Bruce you are truly missed, may you Rest In Peace.

“ I have known Bruce for about 9 years through XSport Fitness. Bruce was in my cycle classes during that time and I don't think you could find a more caring and considerate person. I always looked forward to seeing Bruce and we would often talk before and after class. There are many, many people that will miss Bruce. *Go Leafs!*
