“ I just heard from Doreen at the Royal Cantonese Restaurant that Bryan passed away on Valentines Day. I know my husband will write something as well when he hears but I wanted to say that Bryan was such a wonderful man, husband and father. We were so honored to be his friends at the Royal Cantonese and Bryan will always be remembered by those who even knew him for a minute. He was really a genuinely beautiful person and he is with his Heavenly Father and his earthly father. He will be sincerely missed. With great sympathy, Beth Shea

“ Dear Deb & Bryson,

*I knew Bryan through his time at Hill-Rom. We were so fortunate to have worked with him on the Trade Show program as it was developed and implemented. He was a key part of the team. Bryan was so full of life, fun, and joy regardless of the circumstances. He was a clear leader, great communicator, and a light to the world.*

*Bryan spoke frequently about both of you. Bryson - he loved telling anyone who would listen about how you were "Bry's Son". And, Deb, you were "the smart one" and "the better person" every time he spoke of you.*

*I am honored to have known Bryan for a short-time and am saddened to hear of his passing. Please accept my condolences and know that my thoughts and prayers are with you both.*

“ There is much to remember and much to be thankful for as we remember Bryan and the way he shared his life with those around him. Each of us gives gifts of ourselves to those we share life with. These are gifts that no one can take away. Though we are gone, these gifts remain with those to whom we have given them. My sincere condolences.
