“ Carol was a dear friend of mine at Thomas Place. She was a gracious and kind person and everyone loved her. I tried to reach out to her several times but was not successful. She was in my prayers. And whenever I'll put out a holiday knitted door hanger I'll always say “when this you see, think of me” and I will with love in my heart. She'll be missed. Love, Dodee Yedinak

“ Carol was a dear friend and neighbor. She was our dog Maggie's second home when we traveled. Carol told us she kept a picture of Maggie next to her bed when Maggie went to heaven. You were loved by many people and we will miss your smiling face. Rest in peace Carol. Love always Patty and Peter Schmitz.

“ My mom and I were heart broken when Carol moved away from our neighborhood a few years ago. She brought so much energy and joy to our lives and we knew things would be a little less bright without her right across the street. She was such a dear good friend to my mom and her visits were a treasured time. I counted on seeing Carol in her doorway waving as I drove off to work and she was like a second dog mom to my Nellie girl. My memories are filled with ways Carol touched our lives and I will smile whenever I think of her knowing I was in the presence of a rare wonderful person. Janet Rynell

“ Carol was a bright light in our senior community. She always found a way to show kindness and reach out with her special knitting projects to hang on our door handles. She always had a smile and a joke or two to share. She will be missed by all who knew her. Rest in Peace dear Carol.

“ I'm heart-broken to lose my long-time friend, Carol. We met nearly 30 years ago when I joined the staff at Condell in the Auxiliary Department. She was active as an Auxilian in our fundraisers and after her retirement, still wanting to be a part of a hospital that she loved, Carol became a Volunteer. So many residents and hospital employees knew Carol. They will be sad to hear of her passing and will remember her fondly. My condolences to Carla and Gaye and their families. Your mom was so loved.
