“ I worked with Carol at Abbott, she was a wonderful person. I still remember how she would put silk flowers in her african violet plants when they were not in bloom so they looked like they flowered year round. Being a violet lover myself I totally understood. My thoughts and prayers are with you at this most difficult time

“ My deepest sympathy to the family. I was a high school classmate of Carol's, and always enjoyed her big smile and sunny disposition. She made it to our 50th class reunion, and I had a nice visit with her,
