“ May the memories of Carol warm your heart always. She made such a wonderful impact in this world. Her visit to Richmond in the mid-1980s to see Grand-daddy Jones is one of our fondest memories. My thoughts and prayers are with the family. May God bless and comfort you all.

“ My deepest condolences to Carol's husband, children, grand-children, and great-grandchildren, as well to her wonderful mother, my Aunt Louise. I will always remember my cousin Carol as a person full of great enthusiasm and love for life. I will also remember her great love for her family. For example, I remember when she took the time to interview my Granddaddy Jones about his many experiences over his long life, which I know made his day. I would also always look forward to receiving her wonderful Christmas cards every year, chock full of information about the exciting experiences and achievements of her growing family. From reading her cards it was evident how proud she was of her children and how she involved she was in their lives. She will be greatly missed by everyone who knew her. May she rest in peace. Cousin Eric
