“ Hello Chris and Family-We were deeply saddened by the news of Cathy's passing. Thank you for letting us know. Perhaps you can E-mail us to let us know the circumstances. She was certainly a "God Send" for Bernie, and we don't know what we would have done without her watchful eye and the care she supplied to him at the end of his life. We would have certainly had to bring him here with us, which would have been hard on him. We again thank your family for the care he received, especially Cathy. She will be missed and we can only imagine the countless people she helped in her lifetime as a health care professional.Sincerely, Dean and Pat
