“ Chuck DeMarte was a “man’s man” from a different era.  
Chuck DeMarte was a great leader at S&C.  
Chuck DeMarte was without a personal agenda at work.  
Chuck DeMarte was always going to tell you where he stood with  
you both good and bad. As it should be...  
Chuck DeMarte was a really wonderful mentor for a kid just out of  
school trying to find his footing in manufacturing, in supply chain, in  
leadership and most importantly in everyday life.

Chuck you shall be missed.  
Carolyn prayers for your loss and void now in life.
