“ I was so saddened to hear of Chuck's passing. He has provided sage counsel to Brookfield Zoo for over 20 years, but over that time he became much more than a colleague, he became a true friend. I have many memories to cherish and will remember him fondly, the most important of which were sharing laughs, and ending with his ever-infectious chuckle. He is a one of a kind who touched my heart deeply. My deepest condolences go out to family and friends. He will be very missed and always remembered.
