“ *I am a secretary at Antioch Elementary School and had the opportunity of knowing Christa. We also spent time together working on Dr. Deborah Harding's wedding. What happy memories! She was such a wonderful, caring young woman. Words cannot express how sorry I am for your loss. You have been and will continue to be in my thoughts and prayers.*

“ *Christa was an organized and dedicated Tiger Cub Den Leader who asked many questions at Committee Meetings and participated in extra council training so she would be a knowledgeable leader of her den. I am sure the Cub Scouts will miss her. I will miss her at Committee Meetings. She asked questions and shared insights that helped me remember what we are teaching the Cub Scouts. As you know, Christa cared for her boys and husband and generously helped in the activities they enjoyed.*

“ I had the privilege of being Christa's principal when she taught at Antioch Elementary School. She was a marvelous teacher who instilled in her students a love of learning, the skills that it takes to be a community, and the love of literature. When she left AES to be a full time wife and mother she kept in touch and shared her joys at being home. She adored her children and her husband. She loved her church family, and her biological family. She often talked about her father, mother and siblings - and I remember especially a conversation we had before her wedding. She shared that was fearful that she would sob all the way down the aisle on her father's arm - because she loved him so much. I remember Mark coming in each year to help Christa get her classroom ready - and when I remarried it was Christa who offered to be my "wedding planner." I loved her and I can't begin to wrap my heart around this loss. To you - her family - please know that your wife, sister, mother, and daughter made a difference in hundreds of lives - and she will never be forgotten. We will remember you in our thoughts and prayers for the months ahead as you grieve this tremendous loss. James Barry said that , "God gives us memories so that we might have roses in winter." I know that the sweet fragrance of Christa's memory will help sustain us all in the dark winter night ahead. God Bless You.
