“ It was my privilege to work with Christa at Libertyville High School for many years. She always had a warm greeting, and a gracious heart. She loved her family, and by extension, so did we. God bless Christa and her lovely family.

“ Never a ten in the morning goes by without my missing my coffee time with Christa. She will always hold a very special place in my heart. She was one of the best parts of my years at LHS. She was the warmest, strongest, most caring person ever. She was exemplary in her work ethic, in her love for her family and in her friendship. I am going to so miss the note from her each Christmas. Just opening it each year I could feel the special love radiating from it. I love you my special friend. No one will ever call me "Barbie" again like she did.
