“ *I'm so sorry for your loss, Steph and Nick. My favorite memory of your parents is the time Steph drove me, Noel and Brian to the grocery store so we could get supplies to cook dinner. Steph locked her keys in the car while it was running! We called your parents to rescue us with the spare keys. They were laughing so hard at us! And I'm pretty sure they brought a camera to take embarrassing pictures of us! I'd like to see those pictures sometime! :) I also remember that sweet Bears shirt your dad was wearing the year they were in the Super Bowl. It was the same shirt he wore when the Bears won the super bowl in the 80's! It was so hilarious! He was quite a character.*

“ *My condolences to Corey's family. He went to Jefferson Elementary School with my brother, Craig Harris, who died of cancer in 6th grade. I have thought about Corey over the years, and wish I had had the opportunity to reconnect with him. Now he and Craig can resume their friendship in heaven.*

“ Corey and his brother Robert lived behind my family in Park Ridge, and we all attended Jefferson Elementary School together. We spent many a good time together, as well as a few good-natured skirmishes in our youth. Condolences to both Corey and Robert's families on their passing. May the both rest in peace.

“ Corey and his brother Robert lived behind us in Park Ridge and we attended Jefferson Elementary School together. We shared a lot of fun and a few youthful fisticuffs growing up, but all part of being kids and finding our way through life. Condolences to him and his family. May both he and Robert rest in peace.

“ *I am very sorry to hear of the passing of Corey. I worked with him at Dannon and have many nice memories. He also helped me find employment when Dannon eliminated most of our positions in the mid 80's. Happy Holidays and I am very sorry for your loss. Sincerely, John Louko.*
