“ All of us send our condolences and love to Cindy's family and to our cousins Les and Kathy and their families. In lieu of flowers, we will be sending donations to Save-a-Pet. We remember Aunt Vernie telling us what a big heart Cindy had for every stray animal she met. We want to help continue her legacy by helping this organization.

“ I am so saddened to hear Kimberly. I have been on FaceTime every so often to keep up with Cyn - I regret and am so saddened we fell out of touch for all these years. We had so many fun times working for Abbott in Austin Texas in the mid 80s - way back before your Mom and Dad got married. There were those famous poker games with your grandparents, music with your Daddy's band on the Lake in NWChicago, seeing the Boss and 6th St music in Austin, and even diving in Cozumel.. Cyn's smile lit up the the entire room or stadium! But your parent's wedding - now that was an awesome event! She was so beautiful! I loved them both so much Kimberly and I will keep all of you in my prayers. Even though there were many years between our contacts I never loved her any less than when we first met. Your Mama was just simply Unfogetable and one of those people you Love Forever. You will remain in my prayers for Peace beyond human understanding,

“ Getting the call notifying us of Cyndy's passing was the worst feeling one can have. You realize all at once the multiple losses that many will feel, the fact you'll not talk, laugh or share funny memories with that person again is a terrible realization. However, what makes you feel a bit better is remembering all the fun times you did have together over many years and mainly the pain that person will now be out of. We will miss you and we're sorry we can't make the service. Love and prayers go out to the whole family, Jim (Jaime), Lisa & Jenna Rydberg
