“ Cindy was my grandma and at her funeral, they asked if anyone had any good memories of her and I had one but I didn't share it and I've kind of regretted it ever since so I guess ill say it now. There was this time where we went to the AMC together to go see Mama Mia 2 and it was so fun we got seats and then they ended up being at the top of the theater so we kinda stole the handicap seats. It was so funny tho and I kept on thinking that we were going to get caught/get in trouble. But we never did it was a lot of fun seeing her smile and sing along with the music and just having a good time.

“ Cindy and I go way back to college days when we were roommates and shared many wonderful memories, doing fun crazy things collage roommates do. My sincere sympathy goes out to the family. May she rest in peace.

“ I am beyond saddened on the passing of Cindy. I have many memories of Cindy, as she played a major part in my childhood. I still think this is some kind of dream, that she has passed. But I know she is up in Heaven rocking and a rolling with Elvis! May Cindy Rest In Peace.
