“ I have such amazing fond childhood memories of your dad/family. He was so funny and so in tune with life. We were neighbors forever on Illinois street. Tammy and I always getting our parents together to persuade sleepovers even though we were 2 houses apart. Could not have survived childhood without The Krauklis family. May you all find peace and comfort in your sorrow

“ He taught me life's most valuable lesson. Everything is relative. That lesson keeps me sane when things seem rough.
