“ *I sold Dan my first car. a 1979 chevy Z28 camaro for a thousand dollars. the car was 14 years old. I made him promise me he would rebuild it. He later told me he sold it for a swing set for his kids in the back yard. Who could get mad at him for that??? My condolences to the whole family. I love the williams family and I will always be a faithful customer and friend. God bless.*

“ *I grew up with Dan and the rest of our posse that ran around Lincolnshire essentially kindergarten through High-school. I want to express my deepest condolences to Dan's family. Like our mutual friend David Caperton who passed in 2015, Dan was much too young. Thoughts and prayers and hope for the fondest of memories to all that knew Dan best.*

“ To all the Williams family, Please know the Schleifers are saddened by the loss of Dan Williams, Sr., and grieve along with the entire Williams family and friends. I grew up hearing about the Williams family, who had been patients of my father for so many years. I well recall how much fondness my dad had for everyone of the Williams family, from earlier days in Rogers Park, and more recently once he finally moved his office to Round Lake Beach. May the loss and heartbreak you feel soon turn to gentle memories of all the good times each of you had with Dan in your lives. For his children....know how wonderful a father you had, who loved you so very much.

“ I would like to offer my deepest sympathy to Daniel's family and friends. It's times like these when the loving promises of our Heavenly Father such as knowing that we can see our loved ones again can bring us comfort and soften some of the pain we feel in our hearts. 1 Thessalonians 4: 13,14
