“ Dear Medina Family,

*We met few years ago at the six flags walk. My daughter Daniela became friend with your Daniela and also relapsed at the same time as your Daniela. When we heard the news yesterday, we were at shock. We couldn't believe. Daniela was a very strong, beautiful young lady and she'll be missed dearly
We are so very sorry for your last.*

“ *My heart goes out to Daniela's family and those whose lives she touched. It is an incredibly sad time. I knew Daniela through her volunteer work at the Gurnee Park District. She volunteered for many summers with children in our summer camps. Daniela was an exceptional volunteer in every way. She never let her illness interfere with the great job she did. She was always upbeat and willing to do anything to make sure the children were having fun and were safe. She created many wonderful memories for the children. Because of the exceptional volunteer work that Daniela did, she was presented with a Community Service Award from the Illinois Park and Recreation Association in 2011. Daniela had poise and grace and maturity beyond her age. She is an inspiration and I will always remember her.*
