“ To my brother, Dave....I struggle to say goodbye. I want that last minute where I can tell you how much I love and miss you. I want to share with you how awesome Griffin has been with helping us make your arrangements when I know how hard he is struggling with this. I pray that you will always guide and protect Kamyryn and Griffin. Thank you for the 55 years you have blessed us with. I'll always love you.

A special thank you to Annette Langelund, Robert Crawford, TJ Farella and Penny Denos, who I can't thank enough for helping us through this. Thank you to all those who knew David and shared his passion for fishing and life! He will be sorely missed.

Love, Sue
