“ *Though I worked in another therapeutic area, and did not know Deb well, she always had a smile on her face and was friendly and outgoing. I was surprised at her passing as I saw her very recently. I admired her 'fight' and tenacity. Best regards, Jan Hairrell*

“ *Deb was such a joy with such a wonderful smile and infectious laugh. We were friends in school and I don't remember her ever saying a bad thing about anyone or being angry or moody. She was always laughing and smiling. We had a lot of great times together. As many have said, her courage and sense of humor through her illness was such an inspiration to us all. She will be missed. My condolences to Deb's son and family.*
