“ I wish that I'd had a chance to get to know Dennis better, but even from my limited time with him, it's so clear that he was a wonderful man who loved my Aunt Sheila dearly and treated my cousin Marni and her family as if they had always been his own. I'm so glad that Aunt Sheila and Dennis found each other and were able to share a life together in the all too brief time they had.

Love,

“ You are my brother, my friend and we miss you so much, you were there for all of us. We were so happy when you met and fell in Love with Shelia and we know her love for you is the greatest. We played many games of farkle when you snowbirded in Az. You came to us in New Mexico every thanksgiving and we enjoyed your visits so much. You danced with me , you went to church with us. So my brother, my friend, meet you when God calls us home. We know He called you Home . We love you. Your sister and Cookie. .
