“ My mother was not just my mother, she was my best friend. I will miss the dinners she cooked, the Christmas cookies we would bake, the birthday parties she always held, the holidays we shared, and the fun gatherings with all our friends. My mother always made sure we ALL were taken care of and would do anything to help out in anyway. I will miss everything about my mother and best friend. I know I have MANY beautiful memories to carry with me each and everyday. I will NEVER delete our text messages she and I shared amongst ourselves. Heaven gained a BEAUTIFUL Angel and you are in a better place and in no more pain. I love you mom and you will ALWAYS be with me in memory and heart.
