“ *We have missed Tante Diani for many years since she left Australia. Have always been grateful for when she came back to visit.*

I have many fond memories growing up with Saskia and Tante Diani looking after us and teaching us how to make our own sandwiches when we were little. And how perfect her mini Morris car was for her.

Tante Diani had so much vitality and energy and always a big smile. I am so inspired by her courage in facing ALS over these last few years.

We will miss you.

Rest in peace dear Tante Diani. Xxx
