“ To Dee's Family, So sorry to hear about the passing of Dee, I worked with Dee at John Crane (as we call it Crane Packing). Dee was a special person with a big and kind heart. within the recent years she would join a few of the retired and still working women for lunch and we would talk about the good ole days at Crane. She loved to talk about Fort Myers, FL. She will be missed. Prayers for all of you for peace and comfort.
