“ I know I speak for my whole family when I say that some of our greatest memories include Bubba. We knew him as the fun loving, story telling, and kind man he was. We have so many memories of him telling us stories at Door County that we literally have a lifetime of stories to tell our children. He left a lasting legacy with his family, but also gave us so much joy and we will pass that on through our families. So grateful to have had Richie in our lives, we loved him dearly and he will be missed.

“*Richie was such a blessing to have as a friend and as a fellow ward family member. I loved so much the spirit of compassion, humility, love and kindness he carried every time I was with him. He did not realize how wonderful he was -and that is part of what made him so special. I heard so many people comment on how he touched their lives in his Gospel essentials class. My most memory of him was hearing his sweet testimony at the Brady's child's baptism. I was so touched with his love for the Lord and his simple and yet amazing faith. I talked to him later at the Memorial Day party to thank him and in his always ever humble way-he could not see how great he really was! We have all been touched by his life and by his wonderful jokes!! He made everyone laugh and made everyone feel comfortable around him. Another of my favorite memories is of him doing his "popcorn trick" at our house during our families christmas party. He is loved and missed!!*

“ Even though I only had the chance to meet Rich one time in Miami, FL, I felt as though I had known him for years. Every now and then I would get a call at work just to say hi and to see how I was doing. He will be missed so much. I am so sorry, Linda, Jordan and Matthew for your loss. He was the nicest man that I have ever met and life at CDW will not be the same without him. I will keep you all in my heart and prayers. Jennifer

“ The Weagley and Robinson families are in our prayers. Richie will be sorely missed. He was just a fun guy to be around and was a great teacher and loved and respected by the young men. I'll always remember him doing the "Dying Cockroach", ala the Blues Brothers, at a AHTS 1st ward 50's dance years ago. Richie loved camping too. I remember a camp out at Andy Johnson's home in Wheeling. Richie and the Teachers quorum stayed in doors and watched videos and ate pizza and smorz while the Deacon's slept outside in their tents.

“ Linda, Mary Lou, Mary Beth and Claudia - I am so sorry to hear about Richie. I will never think about Seminary without remembering Richie opening every class my 1st year with his story of the day and especially the day he gave a blow by blow of seeing Dirty Harry the night before (I thought Mary Spriron's head was going to spin off her shoulders!). I remember being a scared freshman at BYU going to dinner at your "huge" apartment in Provo, you made me feel like I was at home. And yes there was the time Richie spent the night at our home in Durham to catch an early flight - and he proclaimed that Linda Rich had the whitest legs he had ever seen (I try to remedy that every summer to no avail). No one ever made me laugh as much as Richie and even though I haven't seen him (or any of you) in way too long I will miss my cousin for all the laughter and smiles along the way.

“ Dear Richie,
Thanks always for your friendliness and support to the Golden BB's. In particular, thanks for your smiles and encouragement to Grant Kinscherff as he attempted to learn Skeet, and follow in Matt's capable footsteps. Richie, we'll miss you at Northbrook, Sparta and all points in between. Your encouragement and friendship will live on. Just yell some tips from heaven!
God bless and be well with the Lord, Richie.
