“ Don, my Step Father, loved all of us so very much. We have so many fun memories of Disney World Cub Games and Limo rides. He did a lot for us all. Most of all he loved and adored my Mom. We will miss him.

“ I had been thinking of Don early in the week as It has been just five years since I sold Heveran's Autobody. Don helped my wife Joan and I get our business off the ground in 1995 and guided us through the years to success. I think of him often, and will never forget him for being just an amazingly kind and sincere person. I extend to Jackie my sincerest condolences and ask God to watch over you always.
