“ If every child had a mom/grandma like my mom, the world would be a much more beautiful and loving place. She loved, nurtured and cherished her children and grandchildren. Her love was supported by an inner strength that knew no end. I will miss you in my daily life but will carry you in my heart always. Thank you for showing me how be a good Mom to Selena. Until we hug again, I love you most!💕

Doris Truly loved her family with all her heart! She was a strong person in so many ways so when her poor body became weak it was difficult to see. She is now with her savior. At peace in the beauty of Heaven. I am jealous of her. We will see you again Doris! And I'll bake you cinnamon rolls!! Lol

*She is now with her Savior Jesus. Peace at last. I'm sure He placed a beautiful golf course in her eternal Heavenly home just for her. She loved her children and grandchildren with an unconditional love. I will miss our talks that we had about Heaven and the Lord's goodness. She will be watching down upon us, in that great cloud of witness's, celebrating us on, until we can be together again in our eternal home. I love you Doris and I am so happy that you are with Don Sr and your sisters who you missed very much. Your race is finished. You are home now. Pure love and joy unspeakable are engulfing you. How wonderful that must be. Thank you for loving me. You will be forever with us in our hearts until we are together again.*
